

EXCLUSIVE IN-PERSON ROUNDTABLE INVITE

Key Principles for Future Cyber Resilience: Securing the Future of Transformation

12-13 November 2025 | Porsche Experience Center Leipzig, Germany

At the two-day event we'll explore how organizations are evolving their cybersecurity strategy in the face of geopolitical concerns and emerging cyber threats. Participate in interactive discussions, gain valuable insights and walk away with actionable ideas. Plus the chance to take part in the Porsche driving experience and tour the factory.
